To Whom It May Concern,

I am honored to have the opportunity to offer this letter of recommendation on behalf of Rennie Harris R.H.A.W. We had the pleasure of presenting R.H.A.W. in June 2010 at St. Mary's Park in the Bronx as part of our outdoor arts festival, SummerStage.

SummerStage, a program of City Parks Foundation, presents music, theater, dance, kids programs and spoken word performances of outstanding artistic quality, free of charge, in parks throughout New York City.

Rennie Harris and his dance company, Puremovement, have been a part of our festival since the inception of our dance programs in 2005, and they have performed with us four times since then. Every time Dr. Harris returns to our festival, he brings with him some of the most aesthetically dynamic, exceptional performers you will ever see. I have had the pleasure of witnessing the growth and expansion of Dr. Harris' vision as choreographer, dancer and Artistic Director. He and his company are a force in the field of dance.

The young performers from R.H.A.W. displayed impressive skills and great deal of professionalism at our festival. I highly recommend R.H.A.W. for audiences of all ages and backgrounds.

Feel free to contact me at any time with any questions you may have about Rennie Harris, Puremovement, or R.H.A.W.

Sincerely,

Monique Martin
