To Whom It May Concern,

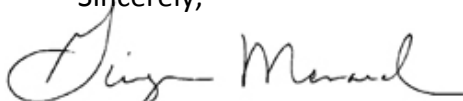

It is my pleasure to submit this recommendation on behalf of Rennie Harris Awe-inspiring Works (RHAW). Jacob's Pillow Dance Festival presented the company this past season as part of our Inside/Out series. The Inside/Out series is one component of the Pillow's Audience Engagement Program and provides opportunities for audiences to see exciting new work in an intimate, outdoor setting, all free and open to the public.

The Pillow has a long history with Rennie Harris and his company Puremovement, and we were thrilled to have the opportunity to present the next generation of hip hop dancers under Dr. Harris' direction. These young dancers are exceptional artists and generous performers. In addition, the company, along with Dr. Harris, participated in a Q&A session that was engaging, informative, and included demonstrations of the many types of street dance in the company's repertoire.

Audiences will be delighted by the skill and joy with which the dancers of RHAW perform.

Please feel free to contact me if you would like any additional information.

Sincerely,

Ginger Menard
Program Manager
