Dear Rodney,

On behalf of the staff and board of directors at the Mann, we want to express our sincere thanks for your participation in our first Philadelphia on Parade festival last Saturday. Your creative talents were greatly appreciated by more than 6,000 people in attendance. Indeed, it was a great day—and we couldn't have done it without you! Bravo!

Thank you again for sharing your talent with the Philadelphia community.

Sincerely,

Rhoda Blount
Director of Education and Community Engagement
