To Whom It May Concern:

It is our great pleasure to write this letter on behalf of Rennie Harris Awe-Inspiring Works (RHAW). The Adrienne Arsht Center presented RHAW on February 10-13, 2011 in our Carnival Studio Theater. Rennie Harris' first company, Puremovement, has entertained audiences in Miami over the years, and it was a treat to be the first in South Florida to introduce his second company.

The company's performances 'wowed' our patrons, providing them with a theatrical dance experience that was a draw for both dance and theater audiences alike. The repertoire was both thoughtful and thought-provoking and was executed with technical excellence and tremendous energy! Despite their youth, the company members were true professionals, both on and off the stage. I am very much looking forward to seeing more work from this company in the future.

Very best,
